Thank you for your enquiry into Bezanis catering.  
I understand that you are interested in the details of our bar hire.  
The bar is an expanding free standing structure that is suitable for functions for 50 to 500 people.  
We supply 2 draught lagers, 1 bitter, wines and a comprehensive list of spirits and soft drinks.

Our fully trained staff are professional and friendly and will look after you and your guests.

If there are certain drinks you enjoy let us know and we will try our best to stock it.

We can set up within 2 hours without causing too much fuss and can completely clear away after the event has finished.

If your venue is not licensed then a £30.00 fee will be required. The bar hire is £250. However if you asked us to do the catering for your function and is for over 80 guests the hire will be free of charge.
